OH, then what does this mean?: "There is no caravan on Thursdays fyi. It's tuesday and friday."

I thought you were saying something about seeing the house.....

I'd really like to find a single story home. I almost bought the one on Kraft, North of you on the West side of the street on a tiny hill. It requires a lot of work for me to live in it - but ironically, my neighbor bought it and plans on renting it out.

I am not sure what a "caravan" is but how does that effect the Note?

Hi Gail:

Thought you might be interested to know (if you don't already) that  
the "cheapest house in Studio City) - not Colfax Meadows but all of  
Studio City, is \$800,000 and it's a "FIXER IN NEED OF SOME TLC"

That was on Google News today. Which tells me that these prices  
are only going to continue for a while - - I am excited to hear what  
the house next door to me sells for? They cancelled the Open  
House today - there was a sign on the front door.

That also tells me there is no place to go if you do sell - - - except  
maybe Las Vegas or Palm Springs? Possible up North to Oxnard  
shores area?
